

ALLIS-CHALMERS ALL CROP Harvester

∞ Technical Forum & Operator Round -Table ∞

With Special Guest Tom Yasnowski – AllCropHarvester.com

Saturday ★ November 3, 2012 ★ 8:30 – 4:30 pm

Spring Creek Farm ★ Lyman, Maine

Topics will include:

Pros & Cons of Pull-Type vs. Self-Propelled Combines

Capabilities of the All-Crop Harvester

Considerations for Finding & Obtaining the Right All-Crop

Trouble-Shooting, Repairing & Sourcing Parts

Hands-on Machine Overview with AC Models 60A, 66 & 66 - Bagger

User Feedback & Input from the Field & Farm Encouraged – *Q&A on All Topics*

The goal of this event is to connect All-Crop Users & Small Grain Farmers from the Northern New England region. If you own a combine, or you would like to, please come! It should be an opportunity for you to share and enhance your experience with others.

Registration Fee: \$20.00 (includes refreshments & lunch)
