

★★★2012 REGISTRATION FORM★★★

ALLIS-CHALMERS ALL CROP Harvester
Technical Forum & Operator Round Table
With Tom Yasnowski – ALLCropharvester.com

Saturday ★ November 3, 2012 ★ 8:30 – 4:30 pm
Spring Creek Farm ★ 65 Drown Lane ★ Lyman, Maine

Tom Yasnowski grew up in a big family on a small farm near Sharpsville, PA. His Father had a Massey Harris pull-type that introduced him to combines. Tom farmed with an All-Crop of his own, but pragmatism compelled him to a degree and career in computer programming – eventually taking him away from the farm. As a way to stay connected to the farm community, Tom started an online business in the 90's originally offering a few replacement parts and advice. The business has grown to over 700 customers, shipping parts across North America, and as far away as the United Kingdom, Israel, and Australia. AllCropharvester.com is a one-of-a-kind business with extensive resources. With the resurgence of local/regional food systems, more and more small farmers are seeking assistance from Tom's business, and Tom is excited to share his experience with you at this forum. Today, Tom, his wife, three daughters, and a grandniece live near Pittsburg – closer to the family farm, allowing Tom to run his combines again.

*****To reserve a spot, your registration form & payment are due October 27, 2012*****
